

MOOLOOLABA

MARINA QUEENSLAND

Welcome to Mooloolaba Marina, the ultimate Marina location on the Sunshine Coast. Situated in the heart of the Sunshine Coast and literally across the road from the famous Mooloolaba Beach and a short stroll to the beachfront cafes and shops on Mooloolaba Esplanade. The Marina is approximately an hour's drive to the city of Brisbane and even closer to the Sunshine Coast Hinterland. Mooloolaba Marina is in a safe, protected harbor with modern facilities. We are delighted to have you stay with us, and hopefully we have the pleasure of seeing you again in the near future. If there is anything we can do to make your stay more enjoyable, please don't hesitate to contact the friendly staff at reception.

Office Hours

Monday- Saturday 8.30am - 12.30pm Open
 12.30pm - 1.30pm Closed
 1.30pm - 4.30pm Open

Sunday 8.30am - 12.30pm Open

Berths

We have over 260 berths in our marina, with a variety of multi hull and mono hull berths. We can accommodate customers with short or long term berth rentals. Live aboard available, but it is a privilege, not a right, and at the absolute discretion of Marina Management at all times.

Booking Extensions

Check out time is 12 noon; however we understand that the weather, along with other factors may require you to extend your stay. If you do wish to extend please let reception know so they can make arrangements. Please be advised, that due to bookings made in advance, we may request that you move to another berth. **Please note that your fob key is programmed to turn off on the day of your departure.** If you do wish to extend your stay, please see reception before 12 noon.

Security Gate Access

Your fob key is used to gain access to the security gates, the amenity blocks and the laundry.
To use the fob key, swipe the grey plastic fob over the small black pad to the left of the gate or door.

Amenities

We have two amenities blocks at the marina. The first is located near "A" arm (orange pylons) next to The Yacht Club and the second is located near "D" arm (white pylons) next to the laundry. We do regular checks throughout the day on the cleanliness of our facilities. Please contact reception if you believe the tidiness of the amenities is not at a high standard.

Marina Rules

Please make yourself familiar with the marina rules which are available at the office upon request.

Spill Container Kit

In case there is an oil spill, the marina has a spill container kit located behind the laundry building in a yellow wheelie bin.

Trolleys

Mooloolaba Marina has trolleys available for use; these can be found near "C" arm and also behind the laundry building near the bike racks. It would be much appreciated if you can return the trolleys after you have finished with them.

Laundry

To operate the washing machines, swipe the number of the washing machine you would like to use on the back wall. The cost is \$4 per wash which will be charged to your account. You can pay this account at the office or it will be automatically debited to your credit card on your departure.

To operate the dryer, swipe the dryer on the first box on the laundry back wall, the cost is \$1 for 10 minutes.

On average a dry will take between 20-30 minutes. You can swipe the dryer multiple times i.e. x3 swipes for 30 minutes.

Pets

Subject to permission from the Marina Manager, we welcome your pets to our marina but ask that you adhere to marina rules. All dogs must be on leads and under control at all times when not on your vessel. Please make sure dogs left alone on board do not cause any disturbance or they will be asked to leave.

Weather Forecast

Every morning we display the 4 day forecast, boating weather and tide times for South East Queensland coastal waters. This is located on the display board outside the marina office. Copies are also available to collect from the marina office.

Garbage

We have two garbage and recycling bin areas; these are located at either end of the car park. It would be much appreciated when recycling cardboard boxes that these are flattened.

Wireless Broadband

MyPort is available if you require wireless internet connection. Just select "MyPort hotspot" from your available network. If you have any difficulties please call MyPort on 1300 733 629.

Please note there is free Wi Fi inside The Yacht Club; please see the friendly staff there for the Wi Fi password.

Gas Refills

Gas bottle refills are available daily, usually in the morning; please see reception for further information.

Sewerage Pump Out

If your vessel requires a pump out, please contact reception to arrange a suitable time. We have facilities on site.

Fuel/Oil

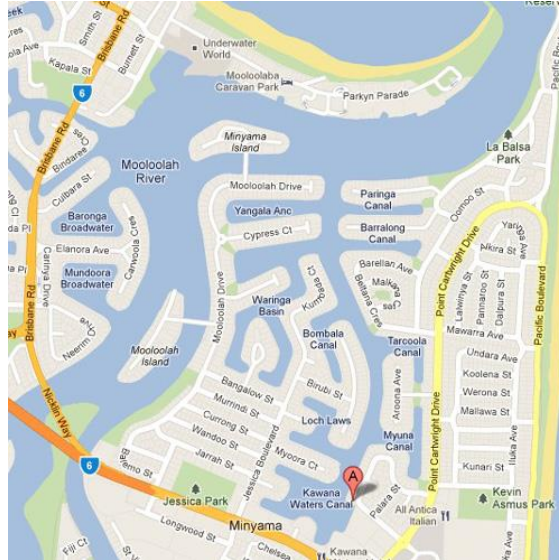

Waste oil and fuel can be dumped in a receptacle at the end of Parkyn Parade, between the Department of Transport and the Fisheries car park. If you require further information please contact reception.

FUEL Unleaded Petrol/Diesel

Mooloolaba Fuel Supplies- Diesel ONLY

Mooloolaba Fuel Supplies is located at 16 Orana Street Buddina and can be accessed from our marina by turning left down the canals at D Arm (white cones on pylons), and is on the left hand side just before Lawrie's Marina.

Contact: Paul- 0427 002 908

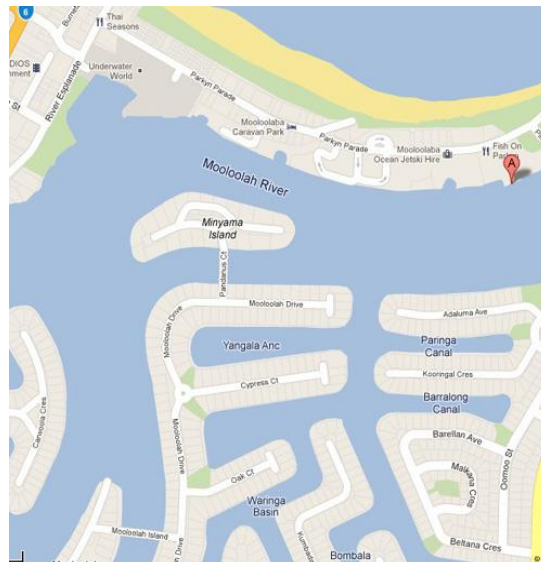

Brown's Slipway- Unleaded and Diesel

Brown's Slipway is located on the other side of The Yacht Club at 10 Parkyn Parade Mooloolaba.
